

VERSATILITY

Multiple looks with Blushka's beautifully crafted magnetic brush heads, which allow for effortless interchangeability to create a multitude of styles.

ERGONOMIC DESIGN

Produced from aluminium, our wand is perfectly sculpted for optimum grip and comfort.

Setting a new standard for aesthetics and quality make up tools.

BALANCE

A range of counterweights allow for fine adjustment of the brush assembly, offering maximum control and balance.

CARE INSTRUCTIONS

We recommend that our Blushka brush heads should be cleaned with warm soapy water and allowed to dry fully before use. Using a soft cloth will remove fingerprints and excess make up from the wand handle, weights and brush head. DO NOT use chemical or solvent based cleaning solutions on any part of the brush assembly, as this may lead to irreparable damage and will not be covered under any guarantee.
